Thane Kyrell: While you perform an attack, you may spend 1 ⊙, ○, or ▼ result to look at the defender's facedown damage cards, choose 1, and expose it.

Biggs Darklighter: While another friendly ship at range 0–1 defends, before the Neutralize Results step, if you are in the attack arc, you may suffer 1 ⊙ or ▼ damage to cancel 1 matching result.

Blue Squadron Escort: Designed by Incom Corporation, the T-65 X-wing quickly proved to be one of the most effective and versatile military vessels in the galaxy and a boon to the Rebellion.

Wedge Antilles: While you perform an attack, the defender rolls 1 fewer defense die.

Garven Dreis: After you spend a focus token, you may choose 1 friendly ship at range 1–3. That ship gains 1 focus token.

Red Squadron Veteran: Created as an elite starfighter squad, Red Squadron includes some of the best pilots in the Rebel Alliance.
